

**Alan Davis**

**President and CEO of i5 Services, LLC**

**Alan Davis is the President and CEO of i5 Services the company that created the CONNEX Marketplace ([www.CONNEXMarketplace.com](http://www.CONNEXMarketplace.com)). Prior to starting i5 Services, he assisted companies like Boral, Walmart, British Airways, RiteAid, and Hertz to improve their bottom-line results.**

**Alan started i5 Services with the goal of changing industries through creative technical solutions to complex business problems. His background in technology, along with years of experience in leadership, transformation, process improvement, and business/IT alignment, have helped him excel at implementing solutions that bring about disruptive improvement.**

**The CONNEX Marketplace (i5 Services' solution for manufacturing – [www.CONNEXMarketplace.com](http://www.CONNEXMarketplace.com)) is revolutionizing supplier discovery in the United States and enabling the supplier development that is vital to a resilient U.S. supply chain.**
